

CHECKLISTA FOR THE SECURITY INDUSTRY

Transport of Valuables

USE THE CHECKLIST LIKE THIS

- Answer the questions with yes or no. If your “x” is in the box on the right, continue on and fill in the three following columns. The answers serve as an action plan that can be part of your systematic work environment management.
- Make a risk assessment of the faults that come to light.
- Are there questions or sections that do not apply to your organization? Cross them out! Do you think that something is missing? Add it!
Adapt the Checklist to your situation!
- Fill in the checklist together: manager, team leader and safety representative/union representative
- Go through the checklist regularly, for example twice per yearly.
- **Follow up to be sure your decisions are carried out!**
- Read the appropriate laws and directives at the Swedish Work Environment Authority’s homepage: www.av.se.
- Go through the other checklists at Prevent’s homepage: www.prevent.se
